MILLENNIUM UPDATE

Dear Doctor,

Nadkarni Hospital & Test Tube Baby Center is a FOGSI recognized centre for training in Infertility, Ultrasound & Endoscopy and various other Assisted Reproductive Techniques Training. We have successfully conducted many basic and comprehensive infertility training programs. Our Training Courses Cover comprehensive areas of A.R.T (IUI - IVF - ET - ICSI), Transvaginal USG / Colour Doppler and Operative Endoscopy.

We train Fresh graduates and gynecologists to learn this new technique and we offer our best & we see to it, that you go back with the perfect knowledge and expertise & good memories.

Our institute offers training for Gynecologists who are keen to start their own IVF centre. We take credit for teaching with passion and give LIVE Hands-on Ovum Pickups to our trainees, thus making the whole learning experience pragmatic.
