## About ADVAMED Hospital and AdBaby IVF centre

**ADVAMED Hospital and AdBaby IVF centre** is state of the art, well equipped modern hospital, located in Zirakpur on the Chandigarh–Ambala National Highway (Just at the entrance of Chandigarh) with great visibility and Brand value. It has easy accessibility to the Borders of Punjab, Chandigarh, Haryana & Himachal Pradesh.

After Successfully serving for 16 years, it now embarks upon its academic journey in collaboration with the prestigious Nandkarni training academy to bring about a hands-on experience to dissipate knowledge In ART and laproscopy surgical skills with open hands.

This hands-on workshop has a scope for all: for beginners in laparoscopic surgery both gynaec & surgeons to learn TLH in a systematic manner, budding IVF Specialists to lay down the foundation of becoming an IVF consultant and working IVF specialists who need to hone their skills of ovulation induction protocols & OPU.

There is a scope for practising Gynaecologists in terms of dedicated IUI workshops.

With something for all the City beautiful "Chandigarh" welcomes participation from India & abroad.
