ABOUT NADKARNI MEDICAL TRAINING ACADEMY

Dear Doctor,

Nadkarni Hospital & Test Tube Baby Center (Nadkarni Medical Training Academy) is a FOGSI recognized centre for training in Infertility, Ultrasound & Endoscopy and Cosmetic Gynecology Embryology and various other Assisted Reproductive Techniques training. We have successfully conducted many basic and comprehensive infertility training programs. Our Training Courses Cover comprehensive areas of A.R.T (IUI – IVF – ET – ICSI), Vaginal USG / Colour Doppler and Operative Endoscopy.

We train Fresh graduates and gynecologists to learn this new technique and we offer our best & we see to it, that you go back with the perfect knowledge and expertise.

Our institute offers training for Gynecologists who are keen to start their own IVF centre. We take credit for teaching with passion and give LIVE Hands-on Ovum Pickups to our trainees, thus making the whole learning experience pragmatic.

Let me know if you want this rewritten more professionally or used in a brochure or web post.
