About ADVAMED Hospital and AdBaby IVF centre

ADVAMED Hospital and AdBaby IVF centre is state of the art, well equipped modern hospital, located in Zirakpur on the Chandigarh-Ambala National Highway (Just at the entrance of Chandigarh) with great visibility and Brand value. It has easy accessibility to the Borders of Punjab, Chandigarh, Haryana & Himachal Pradesh.

After Successfully serving for 16 years, it now embarks upon its academic journey in collaboration with the prestigious Nandkarni training academy to bring about a hands-on experience to dissipate knowledge In ART and laparoscopy surgical skills with open hands.

This hands-on workshop has a scope for all: for beginners in laparoscopic surgery both gynaec & surgeons to learn TLH in a systematic manner, budding IVF Specialists to lay down the foundation of becoming an IVF consultant and working IVF specialists who need to hone their skills of ovulation induction protocols & OPU.

There is a scope for practising Gynaecologists in terms of dedicated IUI workshops.

With something for all the City beautiful "Chandigarh" welcomes participation from India & abroad.
